#### Purpose of Inspection:

To post Cessation Order if site has not been reclaimed

#### Inspection Summary:

Upon arrival at the site, it was apparent that there has been no activity or reclamation since my last visit in July. Cessation Order MC-2010-17-12 was posted on site by securing it in a plastic sleeve and using duct tape, securing it to the gate post. A copy of the CO was also mailed certified to the operator.

Photos were taken to document CO posting on site.
